Country House in Sax

€325,000

4	2	389m²	54,480m²	✔

If you are looking for peace, tranquillity and privacy but to be walking distance (15-20 minutes at most) to the town with bars and restaurants etc then this property with its incredible 55,000m2 land full of olive trees has to be considered, especially at the newly reduced price. The views are as good as any you will ever see. The 13th century castle of Sax could not be clearer and at night, when the castle is lit up, you can see the most amazing sight and it seemingly floats in mid-air. All around you are mountain ranges and it is almost beyond belief you are so close to the town...(Ask for More Details!)
