Commercial in Hondon de los Frailes €175,000

0	2	165m²	101m²	N/A

There are properties that are defined not by what they are today, but by everything they have the potential to become. This two-storey commercial property, located in Hondón de los Frailes, offers exactly that: a versatile space with endless possibilities for anyone looking to start a business, invest, or create a home full of character. The property is currently registered as commercial premises and has been adapted for this purpose. However, it offers the possibility of a change of use to residential, allowing it to become an attractive village home or a mixed-use property, combining commercial premises on the ground floor with a home above, subject to the...(Ask for More Details!)
