Discover an exclusive new-build residential development in Playa Flamenca, Orihuela Costa, designed for those seeking a modern, well-located home with strong potential both for personal use and investment on the Costa Blanca. This is a multi-phase project, offering the opportunity to acquire brand-new properties at different stages of construction, with excellent potential for capital growth. ~~The development already features a fully completed and sold first block, with a communal swimming pool in operation. Block 2 is in the final stages of finishing, Block 3 is currently under internal partitioning, and Block 4 â€" to which these properties belong â€" is in the foundation and structural phase. This makes Block 4...(Ask for More Details!)
