3	2	120m²	70,000m²	N/A

3 Bed 2 Bath Country Villa in a national park. We are proud to offer for sale this reformation project. Â Being deep in the national park, the views are outstanding on this property. Requiring a solar system installing (although we believe mains may be possible, but it would be expensive to install), the house is in a poor condition at the moment, but this could be fixed up by a competent DIYer over a few weekends. Â A roof leak caused the current owners to abandon the property, and with this leak fixed, the house could be restored to it's former condition quite easily. Â There are a large...(Ask for More Details!)
