We are proud to offer for sale, this new build container home, on an urban plot, in a lovely rural-style setting. A pool is also an option at cost (around €15,000 for a 6x3 pool). The containers are not yet on site, but permissions are in place. The plot could also be bought, without permissions, for €60,000 - with water, electricity and mains sewerage, if you wanted to build your own property instead. Keep in mind the video is not of the actual property but of a similar one.
