We are very proud to offer for sale this large, 3rd storey main house with a further large 2 storey wooden house (with tiles roof). Each property has it's own escitura and land, so these could be split in the future, if required, or rented out on a long term basis. The main house (250m² plus 60m² terrace) greets you as you enter the top gates (the bottom gates lead to the super large garage, but the owner doesn't currently use these gates). From here, you are presented with a large tiled pool, well kept mature gardens, terraces and covered areas. This is the perfect idyllic country retreat. As...(Ask for More Details!)
