Villa in Villena

€425,000

The location is a strange one and it is one of only two houses in the area. It is at the rear of an Industrial Estate and one of Villenas hospitals, yet it is amazingly tranquil and has been built from a low level so that when you are inside the gates and the fully fenced plot it feels like you are in the countryside. So, the Villa, entering by the magnificent front doors there is a floor with 5 Bedrooms and 2 Bathrooms. The Master Bedroom is stunning with an en-suite bathroom and a dressing room. The furniture in all the room is as you would expect. There is...(Ask for More Details!)
