Finca in La Romana

€325,000

6	2	310m²	3,837m²	✔

This old finca is over 200 years old and has been completely renovated, while keeping its original character. The old farmhouse has been divided into 2 parts. It is therefore a semi-detached, but the layout ensures that the finca is very private. The finca has more than 300m² of living space and includes an entrance hall with a bedroom on one side and a bathroom on the other side. After the hallway, you have a living/dining room with a wood burner. Next is the traditional kitchen with a large pantry (this one was a stable and is still with original elements from that period). From the kitchen, you have access...(Ask for More Details!)
