Rural Spain offers some of the best real estate in Europe, and we are pleased to present this absolutely stunning 8-bedroom (1,651 m²) property is no exception. Â Located in Jumilla, Murcia, the home borders a protected nature reserve with no immediate neighbours and views across more than 60,000 m² of privately owned estate, filled with mature olive and almond trees. Â Built in 2004, the home was designed with family in mind. It spans three floors, with lift access to each level and a grand, custom-made marble staircase as a central feature. There are 8 generously sized bedrooms, 6 of which are private suites with en-suite bathrooms. As you drive through...(Ask for More Details!)
