Allonbay Urban is a contemporary residential development in central Villajoyosa, within walking distance of the town's main beach and everyday services. The project offers one-, two- and three-bedroom apartments and penthouses, with private outdoor spaces and sea views from selected upper-floor homes. Its faÃ§ade draws inspiration from traditional local stone architecture. Residents have access to a gym, sauna and social club. This city-centre project has its own specification and should be distinguished from the separate Allonbay developments around Playa del Torres. Availability, prices and individual layouts vary by home; contact Enjoy Houses Spain for the latest options. ref:Allonbay Urban
