1	2	626m²	271m²	N/A

Magnificent industrial warehouse with a total built area of 626 m², functionally distributed over three levels: 288 m² on the ground floor, 269 m² on the first floor, and 69 m² on the second floor. Its layout offers outstanding flexibility, making it suitable for a wide range of business, industrial, logistics, commercial, or service-related activities. The property comprises various rooms and workspaces, combining large open-plan areas ideal for production, storage, or operational use with separate office spaces, allowing for efficient organization of different business functions. It features two bathrooms with showers and an additional guest toilet, providing comfort and practicality for staff and visitors. The upper floor also benefits from...(Ask for More Details!)
