2,700m²

N/A

Plots with propertiesTwo properties in lands for rustic use with 2,700 meters of plot and both have a property with a deed in the registry on them. It includes a 116m² building. 84 square metres dedicated to housing and the rest to storage, also a house of 26 square metres and a storage room of 23 square metres, (both in a demolition situation). The property has electricity and well water. The land is located in an area of natural orchards in Callosa de Segura, with easy access for fast life and very close to a supermarket and various services, but with the perfect distance to build a wonderful house on...(Ask for More Details!)
