We are pleased to bring to the market this delightful bar/restaurant with a licence which can be transferred to new owners. The bar is perfectly placed in a very popular, busy area of Onil which will maximise the clientele visiting the bar. Â The bar is currently equipped for 31 covers but this could easily be increased. It is being sold fully furnished and with a lot of the kitchen equipment. Â This is a fabulous restaurant/bar in a great location with the potential to be a very successful business. Viewing is highly recommended.
