Villa in Hondon de los Frailes €250,000

3	1	469m²	1,076m²	N/A

This unique property has the particularity of being in the heart of the village of Hondon de los Frailes, therefore ideal for people wishing to do everything on foot. The property dates from the 70s and has never been renovated. Refreshment (modernization) work is to be expected. The property is 469m² big, spread over 2 levels. On the ground floor, there is a large parking lot (5 cars), as well as offices and other storage rooms. On the first floor (not communicating with the garage), you have the house which is around 130m². The house is composed of an entrance hall with a corridor crossing the house. You have a...(Ask for More Details!)
