Land a Plots in Pinoso

€222,000

0	0	N/A	37,000m²	✔

An exceptional opportunity to purchase a productive 37,000m² vineyard in the beautiful countryside surrounding Pinoso, one of Spain's most respected wine-producing regions. Planted with quality Tempranillo grapes, this well-established vineyard is currently in production and benefits from cooperative rights, allowing the grapes to be delivered to the local cooperative. Combined with irrigation water, this is an excellent investment for anyone looking to generate an income from a thriving agricultural business or expand an existing vineyard portfolio. Complementing the vineyard is a small olive orchard, a variety of mature fruit trees, and approximately 40 established almond trees. The almond trees are also registered with the local cooperative and consistently achieve
