Unique Off-Grid Finca with Tourist Licence for sale in AlmansaAre you looking for a sustainable dream project in Spain? Well we are proud to present this fully renovated, 100% self-sufficient finca. Situated on a spacious plot with breathtaking views on the border of the Castilla-La Mancha region, this property offers the perfect balance between authenticity, tranquillity and modern comfort. Authentic character, modern technologyThis traditional Masia (locally known as a casa de labor) is built from characteristic natural stone walls. The current owners have restored the property with an eye for detail, preserving the rustic architecture whilst integrating the latest technologies. The result? A unique, eco-friendly home that operates entirely off-grid...(Ask for More Details!)
