Land a Plots in Yecla

€61,000

0	0	N/A	41,630m²	✔

Very large building plot of over 40. 000 m2 in Yecla. The plot has several levels and offers amazing views on the surrounding mountains. It has an irrigation water connection and electricity connection included in the price, This plot is extra special because it already has a design for a house included in the price. The design includes a house with 3 bedrooms, 2 bathrooms, an open plan kitchen and living room, a covered porche and a 4x8m pool. We work with several builders in Yecla, a house like this can be build for approx. 250. 000 euro. You can also buy the plot without the house design for 52. 000...(Ask for More Details!)
