This traditional Spanish property offers an excellent blend of rustic charm, versatile space, and attractive outdoor areas. The garden features mature olive trees, space for a private vegetable garden, a swimming pool, an outdoor barbecue, a carport, a large storage room, a separate chicken coop, and a wood storage area. The layout of the outdoor space provides both practical advantages and the possibility of self-sufficient living. The main house is a single-story bungalow with two bedrooms, a spacious open living room with kitchen, and a bathroom. The home exudes a warm and welcoming atmosphere and has been a beloved place for family gatherings over the years. Behind the bungalow stands...(Ask for More Details!)
