Apartment in Villamartin

€315,000

2	2	1m²	82m²	N/A

For sale contemporary property located on the second floor with elevator within the gated residential complex Villamartin Gardens II completed in 2024. The apartment has 82 square meters of built area distributed into two spacious bedrooms with fitted wardrobes and two modern bathrooms with showers and underfloor heating. The living and dining area is bright and features an integrated open kitchen creating a functional space. A highlight is the large 20 square meter terrace with south orientation and sea views ensuring natural light throughout the year. The home is equipped with ducted central air conditioning and includes a 14 square meter garage space and a 4 square meter underground storage...(Ask for More Details!)
