We are pleased to present this hidden gem of a villa, situated very close to the town of Sax, and hidden amongst its trees, the house is very private, but not isolated. You enter via a tree lined driveway to find the house surrounded by its gardens. A large terrace and an 8 x 4 m pool are located in front of the house with an outside kitchen, BBQ, small pond, aviary and casita. There are two wooden cabins in the gardens plus a third attached to the house for storage. You enter the house via a large closed in terrace / summer room with big windows that open up...(Ask for More Details!)
