90 m² beachfront apartment located on the first floor and completely exterior-facing. Featuring unobstructed, direct views of the Mediterranean Sea, the property stands out for its excellent natural light and practical layout: 3 bedrooms, 1 full bathroom, a spacious living room, and a separate kitchen with a utility room (an ideal space with real potential to be converted into a second bathroom). The property is in good condition and ready to move into, yet offers high value-add potential—a light cosmetic update could easily transform it into a true beachfront gem. Unbeatable location, next to the Cinta de Sal and Los Náufragos Beach. A closed garage space is available for €17,000....(Ask for More Details!)
